Your high school years.

*They will be the best
years of your life.*

*I'd really like to know who
the hell was the first
person to say that?*

An American flag is shown waving in the upper left corner of the frame. The background is a bright blue sky filled with soft, white clouds. The sun is visible on the right side, creating a bright glow and lens flare effect.

Is it even true?

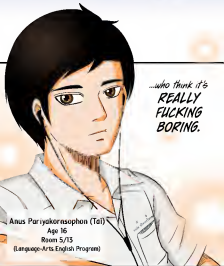

How could we even know that?

If the majority of people believe that their high school years were just like that quiet darkness,

then I must be in the minority...

*...who think it's
**REALLY
FUCKING
BORING.***

Anus Pariyakornsophon (Tai)

Age 16

Room 5/13

(Language-Arts English Program)

PS/4: The character's name is Anus as was written by the author in the original Thai version. It has no relation to the use of the word in the English language. No joke. I'm by the way, "Anus" is Thai version "most valuable treasure". The more you know.

EXCHANGE

1st Day
Everything
Has Changed

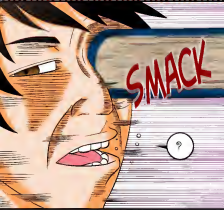

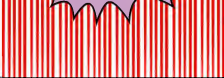

Amis...

Mr. Pariyakornsothon...

**ANUS
PARIYAKORN SOPHON!!!**

OUCH!!!

**WHAT THE
FUCK?! WHAT A
CHEAP SHOT!!!**

**THAT'S IT.
NO MORE
MR. NICE GUY.**

**YOU THINK
YOU'RE SO TOUGH.
DO IT AGAIN.**

**I'LL PUNCH YOU
RIGHT IN THE FACE,
YOU LITTLE PIECE
OF SHI-!!!**

Are you
for real?

AAAARGH!!!

Were you spacing out again? I called to you so many times. Why didn't you answer?

Don't you ever pay attention? And dare you listen to music in my classroom? If you want to listen to music so badly, just do it during your free time. Now put it down!

**THAT REALLY HURT!
WHAT WOULD YOU DO
IF I WENT BLIND?!**

**AND WHY THE HELL
ARE YOU EVEN HERE?!
YOU'RE A GRADE 10
TEACHER, AREN'T
YOU?!**

**THIS CLASS IS GRADE 11!
DID YOU WALK INTO THE
WRONG CLASS?!**

I'm "Miss Ashinaya" to you from this day onward, Anus. You see, I've been promoted to teach the 11th grade.

So sit down.
And put on
your big boy
pants.

Today, I have
an important
announcement
for everyone.
Especially you,
Anus.

After all, you're
a special case.

*Goddamn it.
How could this
ever be good?*

*Having a
cousin as
an advisor.*

*The worst part is...
she'll be constantly
keeping an eye on me.
And she will punish
me harder than any
other teacher.*

*But when we're off
school grounds,
she's a totally
different person.*

*I thought I'd never have
to see her again after
the 10th grade. I had to
meet with her to study
for at least 3-4 hours.
But now that she's my
advisor, it's going to be
a massive pain.*

*Plus, the people around
me make fun of me
when she scolds me.*

*Just you watch. When it's
time for an aesthetic subject,
I'll make you guys pay.*

*But today...
I'll face the
same things
as everyone
else.*

*Getting reprimanded
by the teacher
in every subject...*

*Just trying to
kill time until
school's out...*

*Are these really
the best years
of our lives?*

*I just want
time to
speed up.*

*Better yet,
not exist at all.*

Like I said, I'll
be your advisor
for this class.

Some of you may
know me already.
You had me as
your teacher in
the 10th grade,
remember?

*Every subject I'm
learning... I can't even
use in the real world.*

*Especially Math and
Science... I'd just
forgotten about
those. I'd rather
not think about
that again.*

*But my worst nightmare is English.
I don't understand it
at all. It goes in one
ear and out the other.*

*But it's weird
for me. You
know why?*

*I LOVE TO
LISTEN TO
ENGLISH MUSIC.*

*I have no
idea what the
songs mean.*

*I don't even remember
when I started listening
to it. Or when I realised
that I can't live without it.*

*The combination of
the rhythm and sound
of the musicians make
me feel like I belong.*

*It's the only thing
that protects me
temporarily from
painful life*

Being a little bit better than I am for you

[Everything has changed] : Taylor Swift ft Ed Sheeran

And all my walls stood tall painted blue

And I'll take them down,

take them down and open up the door for you

And all I feel in my stomach is butterflies

The beautiful kind

Making up for lost time

Taking flight

Making me feel like

I just wanna know you better know you better know you better now

I just wanna know you better know you better know you better now

I just wanna know you better know you better know you better now.

I just wanna know you know you

Know YOU

Come in^{}.*

^{*}in English

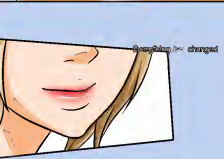

Even she has
to speak English
in this class?

All I need to do is say "Hello?"

So shut off your highest hopes.

All I know is pouring rain and ...

Everything has changed

all I want is that your love is here

Hello everyone.

all my days I know your love

My name is
Caroline Hudson.

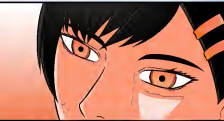

All I know of π - yesterday -

Is Everything has Changed.
